Sir:

Supplemental Amendment

On August 16, 2007, Applicants submitted an Amendment responsive to the Official Action dated June 1, 2007. Examiner Witherspoon contacted the undersigned on October 16, 2007 and pointed out several clerical errors that occurred in that Amendment dated August 16, 2007. Specifically, formulas had been inadvertently omitted in several claims and claim 1 lacked antecedent basis for a term used therein. Therefore, Applicants are hereby submitting a Supplemental to correct those errors.

Amendments to the Claims are reflected in the listing of claims which begin on page two (2) of this paper.

Remarks/Arguments begin on page five (5) of this paper.

Conclusion begins on page eight (8) of this paper.
